

I am thrilled to be your child's teacher for the 2025-2026 school year! This is my 12th year teaching in the Monroe Township School District. As an educator, I am a firm believer that teachers and parents are players on the same team. My goal is to provide your child with an enriched 5th grade experience and a most memorable school year. Please email me with any questions you may have. I look forward to seeing you and your child in September!

AND MORE

5th Grade is an exciting time! Your child will develop greater autonomy in preparation for the demands of middle school. Students will think critically, develop organizationally, and mature socially and emotionally. Note-taking and study skills will be a focus throughout the year.
